RECOGNITION OF GUEST(S)

None

STREET COMMISSIONER – Chuck Ruble

Chuck explained why he did not plow Saturday. He had to get food for the food giveaway. There was not enough snow at the time and he also didn't have salt. If people are parked on the street, they may be plowed in.

Chuck's CDL is only good for 14 hours at a time. Depending on the snow that comes in this weekend, he may need help. Ray could help with the Fire Station.

POLICE CHIEF – Chuck Broshious

The Police will notify and tow, if needed, any car that is parked on the street during a snow emergency. Kerstan will also put a reminder on facebook and the website.

Corey notified MaryLou and Chuck that some of Bradner's fines are not as high as they could be. Stop sign and traffic control device are currently \$65 and is \$150 in most places. This decision is ultimately up to the Mayor but Chuck wanted to notify Council as well. After discussion, Mayor will keep it the same for now.

30-35% of court costs actually goes to Bradner. All of the fine money stays in Bradner. With a \$90 court cost, \$37 goes to general fund and \$13 to computer fund, the rest is dispersed to other places as in the State and Bowling Green.

Corey is almost done with all of the changes he's doing for Mayor's Court.

FIRE CHIEF – Tom Wildman

Jeff handed out the year-end report for the ambulance runs and explained each page. There were 263 runs in 2018.

Jeff will be going to Perry Twp.'s meeting to give them their final report. They had 47 total runs in 2018.

There was confusion regarding satellites. Satellites are not free any longer. Each department is charged \$200 even if they are on Bradner's license.

Regarding fire runs, 16 were reported. There were about 10 more that didn't have to be reported since they were cancelled or auto-aid.

The houses on Rt. 23 pass Rt. 6 can no longer call Bradner directly for Fire. The calls have to go to Gibsonburg when 911 is called. Their insurance rates are going up since Gibsonburg is so much further away but there is nothing Bradner can do about this.

Tom will be going to the Fire Academy for a New Fire Chief Symposium in March.

Participation for runs is picking up, 3-4 on average and 12-14 on average for meetings.

Tom would like all purchases for anything Fire or EMS to go through him.
