Petitions having been presented, the business of all meetings will commence at the point where the order of business at the preceding meeting was interrupted by its prior adjournment.

This section does not apply to meetings called for purposes specially named. At those meetings, no other business except that specifically named in the call will be in order.

All questions are to be stated and put by the chair, who shall decide all votes. In doubtful cases he/she may direct, or any member may call for, a division, which shall be taken by a roll call.

The presiding officer shall avoid appearance of partisanship on any question. His/her action is solely to see that the business properly brought before Council is conducted in an orderly manner, and that the members of Council observe the Rules of Council.

Rule 13 - Council Quorum

A majority of all the members elected shall be a quorum, but a less number may adjourn from day to day and compel attendance of absent members in such manner and under such penalties as are prescribed by ordinance. (R.C. 731.44- effective date 10-1-1953)

Rule 14 - Majority Defined; Three-Fourths Defined

Each ordinance or resolution shall be passed, except as otherwise provided by law, by a vote of at least a majority of all the members of the Council. Actions by the Council, not required by law to be by ordinance or resolution, may be taken by motion approved by at least a majority vote of the members present at the meeting when the action is taken. (R.C. 731.17- effective date 11-19-1975)

Thus, by way of example, in a council of six members, a majority shall be four, two-thirds shall always be four, and three-fourths shall always be five.

Rule 15 - Order and Decorum at Council Meetings

The Presiding Officer shall preserve order and decorum and confine members in debate to the question, subject to an appeal to the Council. In case of an appeal being taken, the question is: "Shall the decision of the chair stand as the decision of the Council?" If any member transgresses the Rules of Council, the Presiding Officer shall, or any Council member may, call him or her to order, in which case the member called to order shall take their seat, unless permitted to explain.

In the case of an appeal, the member called to order and the Presiding Officer shall have the same right to make a statement. A majority vote of Council members present shall decide the appeal.

Rule 16 - Discipline of Council Members

The Council may punish or expel any member for disorderly conduct or intentional violation of its rules, and declare his/her seat vacant for absence without valid excuse, where such absence has continued for two months. No expulsion shall take place without the concurrence of two thirds of the members elected and until the delinquent member has been notified of the charge against him/her and has had an opportunity to be heard. (R.C. 731.45- effective date 10-11-1953)

Rule 17 - Rules of Council

The legislative authority of the Village shall determine its own rules and keep a journal of its proceedings. (R.C. 73 1.45- effective date 10-1-1953)

At the January organizational meeting of Council each year, the Council shall adopt by motion Rules of Council for the calendar year. The Rules of Council must be in compliance with applicable Ohio Revised Code, Ohio Attorney General Opinions, and Village Ordinances.

Rule 18 - Precedence

The order of precedence is as follows: Ohio Revised Code, Village Ordinance, Rules of Council, and Robert's Rules of Order.

Rule 19 - Robert's Rules of Order

When Robert's Rules of Order are mentioned in this document they refer to the current version at the time of the adoption of these rules of Webster's New World Robert's Rules of Order Simplified and Applied, by Robert McConnell Productions.

The Council may suspend Robert's Rules of Order by a three-quarters vote of the members present.

The Village Solicitor shall act as the parliamentarian and decide all issues or debates regarding the application or interpretation of the rules of order and/or parliamentary procedure.

Rule 20 - Suspension of Rules of Council

Council shall have the authority to suspend Rules of Council at anytime they feel it is necessary by a vote of three-fourths of the members which shall be considered without debate. Rules adopted from the Ohio Revised Code may not be suspended unless authorized to do so in the Ohio Revised Code itself.

Rule 21 - Hearings before Council

When the Council is about to decide on any issue, it may invite the public to appear and offer their views on the subject being discussed. They can also invite non-residents who have expertise in the subject. This is usually referred to as a hearing or town meeting.

While under the main obligation of conducting its scheduled business within normal time limits, Council customarily accommodates visitors by providing a time of five minutes to each individual to hear their concerns or requests. When electors or any other persons desire to address Council and the time required may exceed the time usually available, Council may schedule a public hearing for such by arranging for a special time and place therefore.

Rule 22 - Referral to Committee

Any new business brought before Council shall be referred to the proper committee, if such referral is deemed by Council to be necessary or proper. If such referral is not needed, and the matter can be disposed of quickly, then such action should be taken at once. When communications are read, they may if necessary be referred to committee immediately after being read by the Fiscal Officer. Prolonged argument, discussion and debate shall be avoided in the Council meeting. If the matter under consideration requires investigation and study or is of such a nature that long discussion may be required, the Presiding Officer may recommend that the matter be referred to committee.

If any matters referred by the Council to any committee or officer are to be reported upon at the next regularly scheduled meeting as old business, such matters shall be brought by the Fiscal Officer to the attention of the Council by inclusion in the next meeting's agenda.

Any matter referred to a committee may by a two-thirds vote of Council at any time prior to the report of such committee, be taken from the hands of such committee for consideration.

Council may accept or reject any committee recommendation, either in whole or in part.

Rule 23 Referral to Committee of the Whole

There are times when a matter brought before Council will be referred to the Committee of the Whole.

The Committee of the Whole is a meeting of the entire Council as a committee, but instead of the usual presiding officer in charge, a chairperson of the Council, chosen by Council, will preside. The designated chairperson shall inform the public in advance of the time and place of the meeting. Referral to this committee may take place when a major situation or problem arises on which it is felt that every member of the Council should have an opportunity to express themselves and debate the issue; discussion in the Regular Council meeting would consume too much time and interfere with the regular order of business; and the Council wants to ensure the participation of all Council members.

The Committee of the Whole shall be governed by the rules of Council in deliberations, except that no limit is placed on time or frequency of speaking, that the previous question cannot be moved, and that the yeas and nays cannot be demanded.

The Committee of the Whole will report its recommendations or findings to Council. If the committee believes that further study or investigation is indicated, it may recommend to Council that the matter be referred to a standing or special committee. Any report of this committee shall be presented to Council, just as in the case of any other committee report.

Rule 24 - Legislation Presented to Council

The legislative authority may amend or change the number, shape, area, or regulations of any zoning ordinance, but no such amendment or change shall become effective unless the ordinance proposing it is first submitted to the planning commission and the commission is allowed a reasonable time, not less than thirty days, for consideration and report. (R.C. S 713.10- effective date 10-1-1953)

Before any zoning ordinance, measure, regulation, or amendments thereto, authorized by the Revised Code, may be passed, the legislative authority of the municipal corporation shall hold a public hearing thereon, and shall give at least thirty days notice of the time and place thereof in a newspaper of general circulation in the municipal corporation. If the ordinance, measure, or regulation intends to re-zone or re-district ten or less parcels of land, as listed on the tax duplicate, written notice of the hearing shall be mailed by the clerk of the legislative authority, by first class mail, at least twenty days before the date of the public hearing to the owners of property within and contiguous to and directly across the street from such parcel or parcels, to the addresses of such owners appearing on the county auditor's current tax list or the treasurer's mailing list and to such other list or lists that may be specified by the legislative authority. (R.C. § 713.12- effective date 6-1-1970)

The appropriate committee, as defined in Rule 8, above, has the primary responsibility of preparing legislation for Council consideration in the manner prescribed by law. After such preparation, such committee shall refer the draft legislation to the Village Solicitor for review and approval; after such approval, they shall be referred to the Laws and Rules Committee for the purpose of having a number assigned to them.

Ordinances and resolutions may be introduced during a Council meeting by the Mayor, Members of Council, or the Village Solicitor, and shall be promptly referred to the appropriate committee for action as prescribed above. In addition, ordinances and resolutions may be presented to the Council upon written recommendation of a committee of the Council.

In the event legislation is proffered directly to Council and referred to the appropriate committee, that committee will then report on the ordinance or resolution at the next Regular Council meeting as Old Business. The committee will also furnish a copy of the ordinance or resolution to the Fiscal Officer for review and inclusion of the agenda for the next meeting.

Rule 25 - Passage of Ordinances and Resolutions

Each ordinance and resolution shall be read by title only, provided the Council may require any reading to be in full by a majority vote of its members.

Each ordinance or resolution shall be read at three different Regular Council Meetings, provided the Council may dispense with the rule by a vote of at least three-fourths of its members.

The vote on the passage of each ordinance or resolution shall be taken by a roll call of yeas and nays and entered upon the journal.

Each ordinance or resolution shall be passed, except as otherwise provided by laws, by a vote of at least a majority of all the members of the Council.

Actions by the Council, not required by law to be by ordinance or resolution, may be taken by motion approved by at least a majority vote of the members present at the meeting when the action is taken. (R.C. 731.17- effective date 11-19-1975)

No ordinance, resolution, or bylaw shall contain more than one subject, which shall be clearly expressed in its title. No bylaw or ordinance, or section thereof, shall be revived or amended, unless the bylaw, ordinance, or section so amended shall be repealed. Each such bylaw, resolution and ordinance shall be adopted or passed by a separate vote of the legislative authority of the Village and the yeas and nays shall be entered upon the journal. (R.C. 731.19- effective date 10-1-1953)

Ordinances, resolutions, and bylaws passed by Council shall be authenticated by the signature of the presiding officer and Fiscal Officer of the legislative authority of the Council. Ordinances of a general nature or providing for improvements shall be published as provided by sections 731.21 and 731.22, or 731.25 of the Revised Code, as applicable, before going into operation. No ordinance shall take effect until the requirements of R.C. 5731.21 and 5731.22 or 5731.25 have been met. As soon as a bylaw, resolution or ordinance is passed and signed, it shall be recorded by the Fiscal Officer in a book furnished by the legislative authority for that purpose.

In the event publication is required pursuant to R.C. 5731.25, each Village ordinance or resolution or a succinct summary of each ordinance and resolution and all statements, orders, proclamations, notices, and reports required by law or ordinance to be published shall be accomplished in either of the following methods: (RC 731.25- effective date 5-22-1986, amended 9-29-2011)

- By posting on the designated bulletin boards identified in Section 37 for not less than fifteen days prior to the effective date thereof
- By publication in any newspaper printed in this state and of general circulation in such municipal corporation

Where such publication is by posting, the Fiscal Officer shall make a certificate as to posting, and as to the times when and the places where such posting is done, in the manner provided in section 731.24 of the Revised Code, and such certificate shall be prima-facie evidence that the copies were posted as required. (R.C. 5731.25- effective date 5-22-1986, amended 9-29-2011)

In the event publication is required pursuant to R.C. 5731.21 and 5731.22, immediately after the expiration of the period of publication for ordinances or summaries of ordinances required by R.C. S 731.22 of the Ohio Revised Code, the Fiscal Officer of the legislative authority of the Village shall enter on the record of ordinances, in a blank to be left for such purpose under the recorded ordinance, a certificate stating in which newspapers and on what dates such publication was made, and shall sign this name thereto officially. Such certificates shall be prima-facie evidence that legal publication of the ordinance or summary of the ordinance was made. (R.C. 5731.24- effective date 5-22-1986, amended 9-29-2011)

Every member present when a question is put shall vote, unless the member notifies the Council of their intention and reason for abstaining before the Council is divided or the call of yeas and nays commenced.

Any member may demand the division of a question when the sense will admit thereof.

Any member shall have the liberty to dissent from and protest against any ordinance, resolution, or order of the Council, and have the reason for their dissent entered upon the minutes. Each motion shall be seconded before discussion or further action thereon. (RRO 255)

Rule 26 - Reading of Ordinances and Resolutions

When ordinances and resolutions are properly presented by members of the Council present or by written recommendation of a committee, they shall be given a first reading at the Regular Council meeting or a special meeting called for such purpose. Resolutions shall be voted and acted upon in the same manner as ordinances.

When an ordinance or resolution is presented, it shall be read by title by the Presiding Officer, Village Solicitor, Fiscal Officer, or a Council member responsible for introducing it.

The first, second and third readings of ordinances and resolutions shall be for purposes of debate, amendment, passage, or rejection. If, after the first or second reading, objection is made to the proposed legislation, the question shall be: "Shall the proposition be rejected?" Rejection shall require a majority vote. If, after any reading, an ordinance or resolution is voted by a majority of the members present to be laid on the table, it shall not again be taken up, except by a two-thirds vote of all the members elected.

Any ordinance or resolution, tabled pursuant to these rules and that is not again taken up by the Council before the year's last meeting of the members shall be considered rejected.

After a member moves for passage in accordance with these rules, a vote shall be taken. If a majority approves the passage of the ordinance, it shall be signed by the Fiscal Officer and the Presiding Officer.

Rule 27 -Emergency Ordinances or Resolutions

Ordinances or other measures providing for appropriations for the current expenses of the Village, or for street improvements petitioned for by the owners of a majority of the feet front of the property benefited and to be especially assessed for the cost thereof, and emergency ordinances or measures necessary for the immediate preservation of the public peace, health, or safety in such

municipal corporation, shall go into immediate effect. Such emergency ordinances or measures must, upon a roll call of yea and nay votes, receive a two-thirds vote of all the members elected to the legislative authority, and the reasons for such necessity shall be set forth in one section of the ordinance or other measure. (R.C. 731.30- effective date 10-1-1953)

Rule 28 - Amending Resolutions or Ordinances

It shall be in Order to amend a resolution or ordinance at any time before passage, but if such ordinance or resolution is of a general or permanent nature and such material amendment is made after the second reading it shall again be read as amended as the second reading and laid over to the next meeting for final action.

Rule 29- Limitations on debate

No member of the Council, while Council is in session, shall engage in debate or discussion with anyone save another member of the Council or the Mayor or a person who has either been granted by the Council or Presiding Officer the privilege to address the Council or is present at a Council meeting on invitation of the Council. It is the intent that all such debate or discussion shall be limited to a maximum of 10 minutes and guided by Roberts Rules of Order.

Every member when about to speak on a question, or make a motion, shall respectfully address the Presiding Officer, who shall pronounce the name of the member entitled to the floor. The member shall confine himself to the question under debate and shall avoid personalities.

No member shall be allowed to speak, except from his/her own chair, nor more than once until every member choosing to speak shall have spoken, nor more than twice on the same subject without consent from the Council.

Rule 30- Adjourned Meetings

When the business of council is not completed within the available time at a given meeting, the meeting, by motion, may be adjourned to a definite time. When the council reconvenes at the appointed time, if a quorum is present, it takes up the business where it left off at its former meeting. An adjourned meeting is merely a continuation of the meeting from which it was adjourned and not for the introduction of new business.

Rule 31 - Motions; when Debatable; Withdrawal

When a motion is made and seconded, it shall, before debate, be stated by the Presiding Officer. Every motion shall be reduced to writing, if the Mayor or any members require it, and cannot be withdrawn after acknowledgement by the Presiding officer without the consent of the Council.

Rule 32 - To refer; Precedence

When there is a question of referring a given subject to a standing committee or to a special committee, the question of reference to a standing committee shall be first.

A motion to refer shall preclude debate or amendment of the main question. A motion to refer it to a standing committee shall have preference.

All petitions shall be presented and read by the Presiding Officer or Fiscal Officer, or by a member in his place, and the contents being briefly stated, shall, if appropriate, be referred to a committee.

Rule 33 - Adjournment-Unqualified-Qualified

A motion to adjourn shall always be in order except upon immediate repetition or when a member has the floor, or when the previous question has been ordered, or when the Council is engaged in voting. When any business is pending the motion must be made in its simplest form, and is not

subject to amendment or debate, but if made when no other business is pending, it can be amended the same as other questions.

When the consideration of a question is interrupted by an adjournment it is removed from before the Council and must be brought forward in the usual way. A motion to lay on the table shall preclude all debate or amendments. If the motion prevails, the consideration of the subject cannot be resumed, except as unfinished business, without the consent of a majority of the members present.

Rule 34 - Acceptable Motions; Order of Precedence

When a question or motion is before council or under debate, no motion shall be received except the following:

- To adjourn (unqualified)
- To lay, matter of business on the table
- For the previous question (request that discussion end and vote taken)
- To postpone definitely to a certain time or day
- To commit (to refer back to standing or special committee)
- To amend the motion on the floor
- To postpone indefinitely
- To recess

The several motions shall have precedence in the order in which they are herein arranged.

Rule 35 - Excusal from Attendance

No Council member shall be excused from attendance at more than two (2) council meetings per calendar year except upon request and permission of roll call and by a vote of the majority of the Council members present. No member is to leave the Council Meeting without the consent of the majority of those present.

Rule 36 - Executive Sessions

The Council may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a Regular or Special Council meeting for the sole purpose of the consideration of any of the following matters:

- A. To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. If a public body holds an executive session pursuant to this section, the motion and vote to hold that executive session shall state which one or more of the approved purposes listed in this section are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting.

B. To consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to the other side.

C. Conferences with an attorney for the public body concerning disputes involving the public body that is the subject of pending or imminent court action;

D. Preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment;

E. Matters required to be kept confidential by federal law or regulations or state statutes;

F. Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office;

The Ohio open meetings law itself indicates that a motion for executive session must specifically identify & which one or more of the approved matters listed are to be considered at the executive session. To merely specify personnel, as an example, is not sufficient.

If a public body holds an executive session to consider any of the matters listed in this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or formal action violated this section. (R.C. 121.22- effective date 2-12-2008, amended 10-12-2016)

The topic must be clearly stated in the meeting minutes. Prior to commencing the executive session, a motion will be made and seconded to adjourn the Regular Council meeting, all in attendance, including audience members, Village Administrator, Fiscal Officer, and Village Solicitor will be excused from the meeting unless authorized to stay by a majority of Council members. At the conclusion of the executive session, a motion will be made and seconded to resume the Regular Council meeting.

There will be no tape recordings or minutes of the executive session's proceedings. All matters discussed are to remain confidential including statements made by participants.

Rule 37 - Sunshine Law; Open Meetings

Public officials are required to take official action and to conduct all deliberations upon official business only in open meetings unless the subject matter is specifically accepted by law. Meetings mean any prearranged discussion of the public business of the public body by a majority of its members.

This section does not apply to an audit conference conducted by the auditor of state or independent certified public accountants with officials of the public office that is the subject of the audit.

Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least twenty-four hours' advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or members calling the meeting shall notify the news media that have requested notification immediately of the time, place, and purpose of the meeting.

Except in the case of emergency special meetings, the Fiscal Officer or Village Administrator shall, no later than twenty-four hours before the time of a special meeting, post a statement of the time, place and purpose of such special meeting in the designated posting places for the public to read.

Any news medium organization that desires to be given advance notification of special meetings of any municipal body shall file with the Fiscal Officer a written request thereof. Except in event of an emergency requiring immediate action, a special meeting shall not be held unless at least twenty-four hours advance notice of the time, place and purpose of such meeting is given to the news media requesting advance notification.

News media requests for such advance notification of special meetings shall specify; the municipal body that is subject of such request; the name of the medium; the name and address of person to whom notification may be sent or delivered; the names, addresses and telephone numbers (both during and after business hours) of at least two persons, to either of whom oral notifications to the media may be given and at least one telephone number which the request identifies as being manned and which can be called at any hour for the purpose of giving oral notification to such medium. Such request shall be effective for one year from date of filing with the Fiscal Officer. Each news medium shall be informed of such period of effectiveness at the time it files its request. Any notification provided herein to be given by the Fiscal Officer or other official may be given

by or under authority of the Fiscal Officer and a reasonable attempt at notification shall constitute notification in compliance with these rules.

Rule 38 - Council Confirmation of Appointments

Whenever the Council is required to confirm any appointment for Village Council, Village Administrator, Village Solicitor, Village Fiscal Officer, Village Clerk, Village Police Chief, or Village Fire Chief, the Council may at its discretion, conduct an interview with the selected appointee prior to confirmation of the appointment.

Rule 39 — Conflicts of Interest

Provisions of the Ohio Revised Code address circumstances in which a public official or employee is prohibited from using the authority or influence of his office or employment to secure anything of value that substantially and improperly influences the official or employee in the exercise of his duties, and from having an interest in a public contract.

Council members must put aside all personal interests in matters pertaining to council business. If a conflict of interest is present, the said Council member must make said conflict known to all members of Council, abstain from any further discussion on the issue, and abstain from voting on that particular issue.
